

THE PARENT'S BATTLE PLAN

WARFARE STRATEGIES TO WIN
BACK YOUR PRODIGAL

LAINE LAWSON CRAFT

INFLUENCER | CONSULTANT | SPEAKER | BEST-SELLING AUTHOR

I am Laine Lawson Craft. I am a mom, wife, and partner with God making impossible things become possible not only in my life but for thousands of others. I have a unique perspective because I have had a seventeen-year-old marriage resurrect, a financial breakthrough after almost filing bankruptcy, a daughter healed from life-threatening illnesses, and three prodigal children delivered that are now free, whole, and healed

The top questions people would have for me are: "How did your marriage resurrect and restore after years of misery?" "How did you find a financial breakthrough?" "How was your daughter healed?" "How did all three of your prodigal children break free from porn, drugs, alcohol, depression, and more?"

My newest book, *The Parent's Battle Plan*, offers guidance to parents of prodigals on how to win the war against the enemy! Together we will uncover the dark secrets and discover the tools already in your arsenal to win the battle!

In 2006, I realized that what I was doing as a parent was not working. It seemed that my emotional pleas, rules, and religion weren't helping me bring my prodigal back home.

So I decided I made it my mission to partner with God at a whole new level and created a new way of parenting- one that would bring peace to my life, help millions of other parents, and bring their prodigals back home too.

Most people don't know that I'm also interested in and love cooking and entertaining, walking the beach, pilates, singing, and learning more about God.

Speaking on Warfare Parenting: **Educate, Equip, and Empower Parents**

You are not in war with your child

Laine will share how we are not at war with our wayward children, but we are in this war together against the enemy of the world. She will give parents the knowledge on how they already have all they need to win the battle over the dark world at war with their wayward child.

If you aren't praying for your child, who is?

Laine will help parents learn how to pray for their children. She will equip them to become better prayer warriors so that they see the power and victory that prayer brings to their prodigal.

How to Partner Parent with God

Laine helps parents to know that we can safely hand over our control of our children to God. When we realize that our children are God's creation and belong to Him, we can release them into God's care. We practice relinquishing control over their lives and allowing God to take over. Helping parents give God full ownership of our prodigal and continuing as partner parents, putting our assured victory directly in God's hands.
